to handle the necessary export documents as regards customs clearance (export declaration and EUR.1) for me/us in my/our name, until further notice. As my/our **representative**, Ursula Röder is authorised to provide a legally binding signature for the information I give.

We assume full liability for the completeness and accuracy of all the information and documents required to make our customs declarations. In the event that we are audited by the tax authorities, we also undertake to make available all the documents necessary to do so.

I (We) agree to pay the fees charged by Ursula Röder Zoll & Logistik GmbH immediately upon receipt of their invoice (ADSp. Section 29). Should we default on payment, we will pay interest charges and costs for debt collection. Place of jurisdiction for all legal disputes is Mannheim, Germany.

Our work is compliant with the ADSp, the Standard German Hauliers' Terms and Conditions, in its most recent version.

I (We) hereby confirm that

- the goods are not dual-use items and are not specified in Council Regulation (EU) 267/2012.
- the goods are not being used to reconstruct, obtain or improve goods prohibited under Council Regulation (EU) 267/2012.
- the goods are not being delivered to individuals/organisations/institutions who are facing financial sanctions.
- Current embargo regulations, prohibitions and restrictions are being observed.
